“ THE BEAUTIFUL THING ABOUT **LEARNING** IS THAT
NO ONE CAN TAKE IT AWAY FROM YOU ”

Shri. P.S. Veluswamy
Chairman - SSM Group of Institutions

It gives me immense pleasure to welcome you as a student of SSM Academy (CBSE) Senior Secondary School. Your School enjoys the proud and unique distinction of being an Institution with rich history, traditions and proud achievements spanning over a decade.

I am very proud to be the founder of this rapidly growing and improving school and am committed to leading it through the next phase of development and beyond. Many students have received their education in our school since 2012. SSM Academy stands affiliated with the Central Board of Secondary Education, New Delhi up to the Senior Secondary level. A lot of changes have been

made in the school by way of educational practices to enable you to compete with students studying elsewhere.

I have high expectations and very much believe in home/school partnerships in order to bring about the best in every young person, including those of exceptional ability and those who have learning difficulties. I am passionate about the provision of a strong and caring system of support and guidance, because it is absolutely crucial that young people are happy and secure in their learning environment. We hope that we can bank upon you and your parents so that you can put in your best efforts and excel in the examinations on all India basis.

Message From
**FOUNDER &
CHAIRPERSON**

Shri. C. Kandaswamy
Managing Director - SSM Groups

SSM Academy (CBSE)
Under the aegis of SSM Group of Institutions

“ EDUCATION IS LEARNING WHAT YOU
DIDN'T EVEN KNOW YOU DIDN'T KNOW ”

Our School's **EXECUTIVE DIRECTORS**

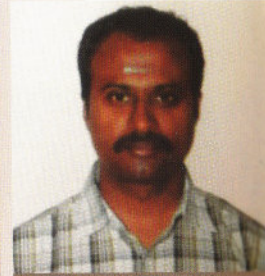

Learning is a never ending process. And it has to be inculcated in young minds at the right time in the right way. We at SSM Academy strongly believe in this. Hence, we have created a wide platform for our children to explore the different aspects of learning through various dimensions. Our children enjoy this methodology and are very confident and bold enough to tackle any situation. According to our motto “Be the Best”; We mould our children to be the best, wherever they go.

Message From **PRINCIPAL'S DESK**

An Endeavor for Quality Education ! A school is a place that has four walls with future being embedded in it. In a world that is constantly gushing with myriad of Possibilities, the young promising minds need the spirit of enthusiasm, freedom of exploration and the thirst of innovation. They need to be imbued with zeal to discover and learn in multiple ways. They need to be engaged in challenging content and sharing experiences. It is the duty of an educational institution to provide their student fraternity, the best learning environment, a congenial and supportive atmosphere to lead our young generation to be the enlightened, confident pioneers in the global village that the world has become. SSM Academy envisages empowering young minds with knowledge, power and wisdom.

SSM Academy (CBSE)

Under the aegis of SSM Group of Institutions

“ A CHILD WITHOUT EDUCATION
IS LIKE BIRD WITHOUT WINGS ”

VISION Our vision is to transform, young students who are capable of fulfilling their dreams and becoming aesthetically rich and capable members of the society by creating and sharing knowledge, while instilling values that prepare leaders for tomorrow.

MISSION Our mission is to Inspire, Encourage and Guide our students to reach great heights We at SSM ignite and Inspire to be the best as our motto reads. We endeavour to foster and nurture the leaders of tomorrow by creating an environment for students where physical, intellectual, moral, spiritual growth and overall development is given importance. SSM Academy treats each child as a unique individual and develops their potentials by providing a variety of learning experiences.

Imagine a School Where...

- Children are happy to be in school each day and take learning as part of their happy routine.
- When children have questions, they are not scared to ask their teachers.
- Children learn that people thrive when they co-exist with different natures and strengths
- Sciences, languages and mathematics are building blocks for an expansive world of knowledge and debate, art, music and drama are integrated-with festivals, annual events and daily classroom experiences.

- Outdoor sports is organized every day to build higher levels of physical strength and stamina. Teachers are mentored such that they can be their nurturing selves for each child.
- Parents are guided and counseled about choices in parenting and education for their children.

SCHOOL MOTTO The school has its Motto “BE THE BEST” engraved in a shield with four compartments.

THE WORLD MAP on the logo symbolizes the only planet we live on. It also suggests life on this planet. The map is used to represent real life objects and thus teaches them everything pertaining to the world.

THE EIGHT POINTED STAR on the logo symbolizes spiritual traditions from many different cultures across the globe.

THE NUCLEUS in the centre of the atom signifies the central part of an object or group forming the basis for its activity and growth. This is used as a symbol for “Children”- the nucleus of the institution.

THE PALM LEAF on the logo represents the lore of Ancient India passed over from generation to generation which included the code of ethics, instructions on practices and the tradition at large to be followed. It is devoid of impurities and symbolizes that education must also be devoid of impurities.

School
VISION &
MISSION

RESULTS

Every year the Academy flourishes with the results of its children in the X & XII securing 100% in both. The Academy also ensures highest achievers every year be it the NCERT, NEET or JEE examinations.

CURRICULUM

The curriculum adopted by the school provides a wonderful experience to each and every child and ensures their overall personality develops. It throws focus on enhancing their level of understanding, improving their subject knowledge, creating interest through activity based learning and refining their skills. The school provides a harmonious learning environment which helps inculcate the spirit of competition that builds values and enables children to achieve their best both in academics and extra curricular activities. This is also reflected in our objectives, mission statement and our vision.

PRE-PRIMARY

The Early childhood programme at the SSM emphasizes child – centric, self directed learning and is concerned with the holistic intellectual progress as well as its social, emotional, creative and physical well being. The naturally curious minds are exposed to conditions that can evoke freedom of thought and expression. Language development, concept formation, socio emotional skills along with fine and gross motor development are trained simultaneously through exploration, interogation and eventually self- discovery. This can build

confident children who feel free to be creative and motivated to learn. The school has Technology Enabled Kindergarten Classrooms equipped with Interactive Boards and has Plasma TVs to make the day-to-day teaching learning process in the classroom more interactive, interesting and effective and develop interest in various subjects, satisfy their curiosity and make the classroom learning environment more lively and enjoyable.

PRIMARY

The goal of the primary curriculum is to lay a strong educational foundation. It is broadly based on the fact that each child enters the formal education with different level of acceptance. The curriculum is planned to train in the students to respect and create love for learning, while giving them the strong basic skills, which they will need to continue their education. The highly developing toddler brain is stimulated through exploratory and hands-on activities, which can develop cognition, language and psychomotor skills. They begin to appreciate the importance of education stimulating lessons. They are made aware of their own potentials and learn how to explore and exploit in the right direction thus moving away from vulnerability to independence.

SECONDARY

The school provides an effective platform for students to pursue different hobbies and give boost to their creative talents along with their curriculum for the secondary

students. Various functions and events are organised to celebrate important days and festivals and ensure maximum participation in these events at this level. Educational Trips are organized on regular basis to give students exposure in different fields like leadership, team building, life skills, etc. It is mandatory for the students to choose one ASA of their choice from the various activities which have been introduced by the school for the benefit of the students. The students are also assessed for their performance in the ASA of their choice and are given grades accordingly. They are also trained in all kinds of examinations apart from the school examination. At the secondary level the children at the Academy are given NCERT based learning.

SENIOR SECONDARY

The Senior School Curriculum aims to provide students with opportunities to grow and explore various higher education career options available for their self-fulfilment and training. The students are encouraged to acquire tools to deal with new technologies and to manage and accommodate change and develop moral, ethical and cultural values. The curriculum focuses on the requirements and capabilities of learners and aims at developing core competencies which a global 21st century citizen should possess. The school offers the Senior Secondary curriculum of the CBSE the following streams i.e. Biology / Mathematics, Biology / Computer Science, Mathematics / Computer Science, Commerce/ Mathematics and Commerce/ Computer science with English Core

common to all the following subject combinations catering to the diverse needs of the students.

NEET/JEE & FOUNDATION CLASSES

The Academy offers the children at the Senior Secondary level exclusive training for NEET/JEE trained by experts from EDUCARE ACADEMY. The teachers mould the children, motivate them and make their dreams come true.

Foundation classes are also available for the children right from 6th to 10th that facilitate acquisition of the group they desire at the Senior Secondary level.

STUDENT EXCHANGE PROGRAMMES

At the Academy we also permit and participate in the Students Exchange Programme. Students will be swapped from other states and even countries so that absolute learning of different genres and take place cultures. The Academy is proud to state that we have sent our children to Japan for the Student Exchange Programme

STRATEGIC LEARNING

We impart education by integrating proven, world-class teaching methods with modern infrastructure and technology. Our curriculum emphasizes on activity-based learning for which we create a suitable environment and focus on learning needs of each child rather than a predetermined set of pattern.

At the Academy, we add further value by inculcating a strong sense of discipline and hard work in our kids; thus nurturing them to be future ready to face global challenges. The school lays strong emphasis on constructivist approach where the child is encouraged to be the architect of her/his own knowledge

LEARNER CENTRIC

We give students ample opportunity to explore their interests and cultivate unique strengths. We believe all children should have access to an exceptional, personalized education that enables them to live a happy and successful life at the Academy.

LEARNING TRANSFORMATIONS

A combination of projects, real life exposure, audio-visual presentations, classroom teaching, experiential learning, community visits and brainstorming activities are used to make learning fun, exciting and interesting.

QUINTESSENTIAL FOR LIFE

Following the age-old wisdom that looks at education as preparation for life, students are groomed to become better human beings and not just pass examinations. At the Academy efforts are taken to instill high moral and values along with necessary life skills in young minds.

REAL WORLD SCENARIO

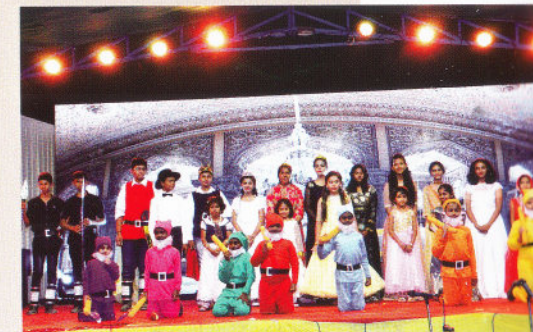

We believe students learn most effectively when they can understand the concepts and more importantly their implementation to the real world. Our goal is to enable students to make meaningful connections and foster curiosity about the world we live in.

INTERDISCIPLINARY LEARNING

We encourage interdisciplinary learning and avoid artificial separation between subjects. Encouraging students to learn by doing, we promote a deeper level of understanding. Teaching may originate in the classroom, but will continue on trips throughout the community, at home and even on family vacations.

COMPETITION WITH SELF

A child at SSM Academy is always competing but not with others, rather this competition is with the self. We always emphasize in learning right than learning fast. We do not let a child succumb to competition and rat race pressures, but we

understand and respect that every child has his own optimal pace to learn. This results in a stress free environment where a child gets full freedom to grow individually.

SPORTS AND GAMES

SSM Academy, an abode of holistic development, considers participation in sports as an essential component of academic pursuits. Therefore, a comprehensive programme has been created in order to provide an opportunity to the students for nurturing their physical, social and personal development and to ensure development of various skills and competencies for playing different games and sports. Extensive and impressive outdoor and indoor facilities for Basket Ball, Volley Ball, Badminton, Cricket, and various athletic events, Table Tennis, Chess and Carom are available in the school. Specialised coaches are employed to guide and train enthusiastic players and students are being encouraged to take active part in various events at the state and national level.

HOUSE SYSTEM

The purpose of the house system is to inculcate a sense of discipline and leadership amongst students and also to encourage participation of all students in every educational and co-curricular based programme. The students are divided into four

Houses viz

- 1) Jade - Earth
- 2) Turquoise - Water
- 3) Zafran - Space
- 4) Amber - Air

The school organises a number of inter-house competitions where the houses compete as teams against each other in various events. Points are allocated to each house based on their placing at the end of every competition as they all vie for the enviable position of the "Best House of the Year". These competitions also allow students to learn the importance of team work and to build on their leadership skills.

NCC

The NCC Unit of the school aims to develop qualities of Character, Leadership, Courage, and Discipline amongst the young cadets enrolled in the programme. The students develop a spirit of adventure, secular outlook and the ideals of selfless service by participating in a number of activities organised through NCC camps at various locations throughout the year.

CLUB ACTIVITIES

The club activities of S.S.M enhance the students to impart their knowledge, whether in the classroom or in the field of sports. They take part in the extensive range of opportunities to bring out their best. We offer activities like Eco club, Heritage club, Literary clubs, Science Club, Interact Club, NSS, NGC, RRC, JCI, JRC clubs and in its nuance the Scouts and Guides. These activities help the children increase their world wide knowledge in soft skills. We also have the National Green Cops club that instills in the students the commitment to keep the Nation green and save the mother Earth for our future generation.

INFRASTRUCTURE

The SSM Academy gives more emphasis to its infrastructure. The children at the Academy enjoy comfortable bright and

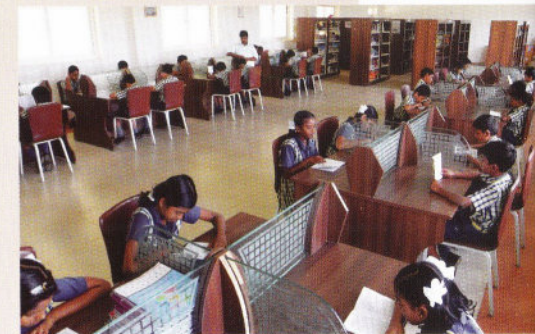

airy classrooms free from pollution and disturbances of any kind. The classrooms give the children happiness and unending joy throughout their life span inside the campus.

LIBRARY

To introduce the students to the beautiful world of books and to inculcate good reading habits in the students, the school has a spacious library. The school library is well stocked with over 7000 books that cover all academic subjects. Besides this, there are a number of storybooks, encyclopaedias, and General Knowledge books covering all genres. We also have many periodicals and magazines that enrich the children. A reference section is also available for teachers and students.

SCIENCE LABORATORIES

The science labs like Physics, Chemistry and Biology labs are well equipped with apparatus and chemicals and provide hands on experience of all practical activities to each student. These labs have a unique collection of charts, models, slides and specimens as per the syllabus of each class. 25 - 30 students can be accommodated at a time in each lab. During the practical classes, each class is divided into small groups for easy supervision. There are well- qualified lab assistants who help the teacher in demonstrating experiments and providing apparatus to the students.

COMPUTER LABORATORIES

Computer Laboratories are equipped with computers and accessories in tune with the latest technologies and have a dedicated optical fibre based broadband Internet connection to cater to the educational needs of the students and enrich the students' learning process and make them tech savvy. There are 74 computers in the two labs along with the latest licence of the educational and computing software required for the students. Computers are used in combination with Interactive Whiteboards, LCD projectors for making teaching –learning process student centric. Students also use internet facility in the computer labs to browse information for their school projects and other educational activities.

MATH LAB

The school Math Lab enables students to learn various mathematical concepts using over 1000 colourful collaborative activities. The lab caters to the learning needs of students from classes I to VIII and provides hands on experience for the students. The children relate to difficult concepts in mathematics more easily. This enhances their grasping capabilities and improves their memory. The content of the Math lab is aligned to topics as given in the school curriculum.

SCHOOL HOSTEL

Sending children to a hostel is one of the hardest decisions for parents to make. After all, who else can understand and care for them like you do? And what about the insecurity they may feel leaving home and all that is familiar? Your worries are natural, but once you visit our school and experience the unique environment that is protective and attentive like home and, at the same time, gives them space to grow, you'll know you've made the right choice. Personal care and attention is also provided to each and every child to create a home away from home atmosphere.

SCHOOL MESS

The school mess provides a wide range of healthy and wholesome food for the students and teachers. There is a well laid out seating arrangement for the students along with over the counter service for food items. Care is taken to ensure delivery of hygienic meals to all the students.

Mess Timings: Morning – 7.30 am to 8.30 am
Evening - 7.30 pm to 8.30 pm

TRANSPORT FACILITIES

School has its own fleet of buses. 35 buses ply on different routes fixed by the school authorities for the convenience of the students coming from many localities in and on the

periphery of the district. Parents are advised to check with the office at the time of admission / registration /new session, regarding the availability of transport for his / her ward and charges thereof. These facilities are being provided on a yearly basis and no discontinuation in mid session is permissible.

INFIRMARY & MEDICAL CHECK UP

There is a well equipped Infirmary in the school that provides free First Aid treatment and also keeps track of students requiring follow up and reference to specialists. There is also a provision of Annual Medical Check up of all students. Besides this, doctors from various reputed hospitals keep visiting the school for various kinds of check-up of the students.

RESOURCE AND DEVELOPMENT TEAM

The academy has its own resource and development team who take much care to ensure that at ease. The team takes strenuous efforts to ensure that quality has no compromises. Absolute secrecy is maintained and the team ensures they test not only the child's memory but also their understanding and their ability to comprehend and reproduce.

STAFF

The Academy ensures that it takes as its back bone the teachers who are well qualified and trained and are all equipped with the qualifications much more than needed. The staff at the Academy gives their best when it comes to educating the children. More than 100 extremely dedicated and hardworking staff makes the family of the SSM Academy complete. Every teacher works with the belief that they are moulding the future citizens of the nation.

“ THE ROOTS OF EDUCATION ARE
BITTER BUT, THE FRUIT IS SWEET ”

ELIGIBILITY AND ADMISSION

Admissions are open to KG classes as per CBSE norms. Admissions to other classes have norms and conditions. We admit the children strictly based on entrance test and for Senior Secondary students, purely based on their marks. The age required for admission into Pre. K.G. is 2 ½ years and L.K.G. 3 ½ years of completion, as on 31st August of 2019.

WITHDRAWALS

CERTIFICATES TO BE PRODUCED

The newly admitted students will have to submit the following certificates.

1. A Xerox copy of the Birth Certificate.
2. Community certificate.
3. Transfer certificate for U.K.G. and above.
4. Aadhaar card Xerox.

If parents want to withdraw his / her child from the school they have to produce a letter stating the reason to avail TC. When a child needs to be withdrawn during the middle of the academic year, he / she will be asked to pay the full fees for that particular term. The child has to clear all the pending fees and get sign in the no dues form. Only after completion of this procedure TC will be issued by the school.

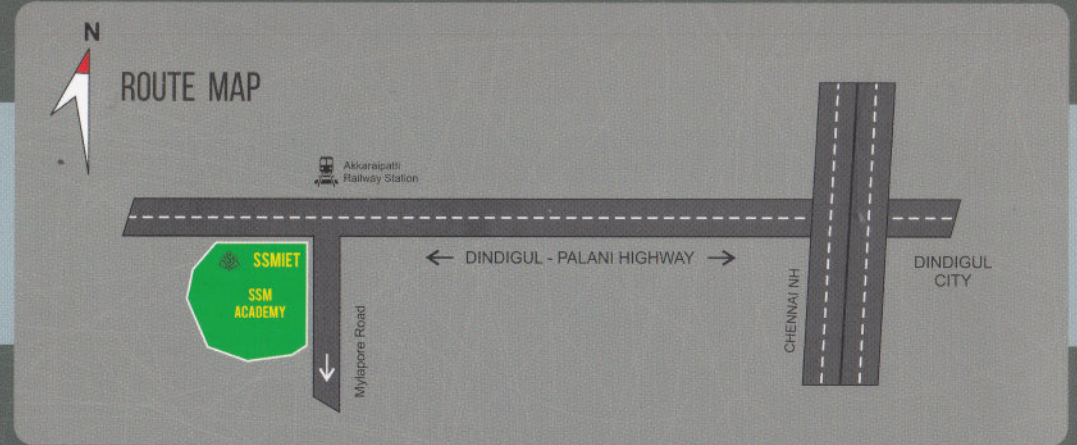

For Admission

"All children have within themselves a special, inherent quality and potential that is unique to them. The true work of parents and teachers is to recognize that quality, nurture it and give it space to grow so that children can blossom and take their special place in this world. The vision of this esteemed institution symbolizes this potential that is within each one of us, hidden and dormant, waiting to be recognized, wanting to be quenched and to flower to its maturity..."
